## **Supporting Documents**

Supporting documents are submitted separately from the online application for admission. The application is considered complete when all the supporting documentation has been received and will be reviewed after that date.

## **Résumé**

Include all experience working with children, volunteer experience, and work history.

## **Letters of Reference**

Three references using the *Confidential Reference on Applicant* form are required. Alternatively, referees can write a standard reference letter. Original, signed, and sealed references are preferred. References are a rating of the applicant's personal and professional qualities by three referees who know the individual in different capacities as a learner, worker and leader.

All supporting documents may be submitted by mail, email, or in person to:
