

Math/Science teacher (Part Time)

"We are in need of a Science/Math specialist who would be able to teach Math skills & concepts up to and including grade twelve material. As well, this person must be proficient with Chemistry, Physics and Biology at the grade twelve level. A Bachelor of Education is an asset but not required, a degree in math or science is preferred (in progress is acceptable). This is a part-time position. The successful candidate must be available to work on Monday to Thursday evenings (4:30 - 7:30), Friday afternoons (1:30 - 5:30), and potentially Saturday mornings/Sunday afternoons. Please contact us via email with a copy of your resume. We will only contact those who meet our requirements. Thank-you to all those who apply.

Part-time hours: 2-12 per week

Job Types: Part-time, Permanent

Salary: \$18.00 per hour"

Please submit your applications to sylvanmid@shaw.ca
